Directory Information Opt-Out

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Baltimore County Public Schools (BCPS), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, BCPS may disclose appropriately designated “directory information” without written consent, unless you have provided written notice to the school system to the contrary.

In accordance with Superintendent’s Rule 5230, Student Records, BCPS has identified the following information as “directory information” and releases the following information without parent consent: student’s name, address, date of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received.

Federal law also requires that BCPS provide names, addresses, and telephone numbers of secondary school students to military recruiters or institutions of higher education that request the information, except where the parent or eligible student opts out by notifying the school system in writing that he/she does not consent to the release of this information.

To opt out means that a parent/guardian or eligible student is not permitting BCPS to share a student’s directory information. If you do not express your preferences, you are giving BCPS permission to disclose your child’s directory information upon request.

Note: If you “opt-out” of the release of directory information, BCPS will not release your child’s directory information to anyone, including, but not limited to: Boys and Girls Clubs, YMCA, scouts, PTA, booster clubs, yearbook/memory book companies that take photographs at schools, and/or other agencies and organizations.

Please check the appropriate boxes below.

☐ DO NOT release my child’s directory information to anyone.
☐ DO NOT release my child’s name, address, and telephone number to military recruiters.
☐ DO NOT release my child’s name, address, and telephone number to institutions of higher education.
